Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

IN THE MIRROR OF THE THIRD WORLD CAPITALIST DEVELOPMENT IN MODERN EUROPE

DOWNLOAD

Cornell University Press. Paperback. Book Condition: New. Paperback. 296 pages. Dimensions: 8.8in. x 5.9in. x 0.7in.In Marxs familiar dictum, the more-developed country shows the less developed an image of its own future. Turning this idea upside down, In the Mirror of the Third World looks to the contemporary Third World for a reflection of European history. The resulting view challenges standard accounts of European social, economic, and political development. Sandra Halperins analysis of the European experience begins where studies of Third World development often start: considering the legacies of colonial domination. Europe also had a colonial past, she reminds us, and the states of Europe, like those of todays Third World, were the product of colonialism and imperialism. From this starting point, Halperin traces features characteristic of Third World development through the history of European capitalism: enclave economies oriented to foreign markets; weak middle classes; alliances among the state, traditional landowning elites, and new industrial classes; unstable and partial democracy; sharp inequalities; and increasing povertyall as much a part of European society on the eve of World War I as they are of developing countries today. Halperin also emphasizes the emergence of a militant, literal religion in Europe and its critical role in the class struggles of the nineteenth century. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
