If you re serious about living a happy, healthy and abundant life, the key is to change your thoughts. Take control of those negative thoughts and emotions and turn them around. Find affirmations that help you stick to a positive frame of mind, and then repeat them until you feel more confident about them. It makes no difference what aspect of your life you consider, there s always something to be grateful for. For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart - Hebrews 4:12 New King James Version. God bless you!.
