A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Scarborough, ON, Canada: HarperCollins Publishers Canada, Limited, 2006. Soft cover. Book Condition: New. From Booklist After his older brother is killed in World War I, a devastated 16-year-old Edward cares for the family farm while his depressed father lays mute in bed. In his pain and anger, Edward vows to continue his brother's fight and help defeat the Huns. Lying about his age, he enlists in the Canadian army and is shipped to England to embark on his tour of duty. There he is transferred to a cavalry unit destined to fight the Turks and begins a tentative romance with a young nurse. Edward's coming-of-age story culminates in the plains near Megiddo, the ruins of King Solomon's city, where it is said Armageddon will take place and Satan will "climb out of hell and gather his armies." Slade skillfully integrates the plot-driven war narrative with the more psychological underpinning of loss: loss of a loved one and loss of innocence. A solid addition to teen war fiction, this book expands the comparatively small body of realistic World War I novels for this age group. Holly Koelling Copyright © American Library Association.
