God Is Not Great: How Religion Poisons Everything

Filesize: 1.24 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Time Warner Trade Publishing. Paperback / softback. Book Condition: new. BRAND NEW, God Is Not Great: How Religion Poisons Everything, Christopher Hitchens, In the tradition of Bertrand Russell's Why I Am Not a Christian and Sam Harris's recent bestseller, The End of Faith, Christopher Hitchens makes the ultimate caseagainst religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetryof the double helix.
