Brand New Book ***** Print on Demand *****.The Benghazi Episode is a fictional account based on established fact surrounding the September 11, 2011 attack on the U.S. Diplomatic Mission in Benghazi Libya that killed the American Ambassador and four other Americans including two brave Navy SEALS who ran to protect and evacuate man of the mission personnel. This was a planned attack by a Terrorist group, Ansar al Sharia, led by a man named, Ahmed Abu Khatalla. During the attack things went terribly wrong and Abu Khatalla was unable to control his attackers. The Ambassador was taken from the Benghazi Medical Center where he sought refuge during the attack then paraded through the streets, beaten, sexually assaulted. He was found later still alive by locals and brought back to the Benghazi Medical Center where he eventually expired. The official cause of death according to U.S. officials was smoke inhalation. The entire episode was then covered up because of political reasons to hide a gun running operation by elements of the U.S. government that supplied weapons to Terrorists in violation of the U.S. Arms Export Control...
