Brand New Book ***** Print on Demand *****.Excerpt from Travels in America and Italy, Vol. 1 of 2 I have nothing particular to say respecting the Travels in America here submitted to the reader: the narrative of them is taken, like the subject of The Natchez, from the original manuscript of the latter work. These Travels carry with them their commentary and their history. My different works contain frequent recollections of my peregrinations in America. I thought at first to collect them and to introduce them under their proper dates into my narrative, but I relinquished this intention to avoid inserting them twice; I have therefore contented myself with referring to these passages. Some, however, I have quoted when they appeared necessary to the due understanding of the text, and were not too long. In the Introduction I give a fragment of the Memoirs of my life in order to familiarize the reader with the young traveller whom he is to follow beyond sea. I have carefully corrected the part previously written; that which relates to circumstances posterior to the year 1791, and which brings us down to the present time, is entirely new.
