Brand New Book ***** Print on Demand *****.Parents, discover the advantages of MAKING KIDS SMARTER (MKS) and apply this powerful new theory of child development to the child in your life. MKS shows how you can help your child develop concepts, rules, problem solving, and mental strategies, paving the way for their innate talents. Learn how to foster a child s creativity and self-esteem-the two legs upon which exceptional intelligence stands. Discover how to identify various stages of development in your child and how to enhance each one. This book explains why firstborns and singletons tend to be more advanced and how to apply this understanding to the development of all children. It also shows how the home environment of advanced, emotionally healthy children differs from those of others. Once you understand this process, you have a straight shot at parenting intelligently.FOR A LIFETIME. All parents wish to give their child an advantage and help them develop to their full potential. If you want to learn how to give YOUR child an edge, the first step is to give yourself an edge right now,...
