Insurance Handbook for the Medical Office, 12e

By Fordney CMA-AC, Marilyn

Saunders, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A complete guide to the latest in insurance billing and coding, Insurance Handbook for the Medical Office, 12th Edition covers all the plans that are most commonly encountered in clinics and physicians' offices. An emphasis on the role of the medical insurance specialist prepares you for success in the workplace, including areas such as diagnostic coding, procedural coding, Medicare, HIPAA, and bill collection strategies. Learning to fill in the claim form accurately is made easier by the use of icons for different types of payers, lists of key abbreviations, and numerous practice exercises. Written by insurance billing expert Marilyn Fordney, this comprehensive, market-leading resource has been trusted for more than 30 years. Emphasis on the business of running a medical office highlights the importance of the medical insurance specialist in filing clean claims, solving problems, and collecting overdue payments. Block-by-block explanations and examples demonstrate the correct way to complete the CMS-1500 claim form. Compliance Alerts and a HIPAA Compliance and Privacy in Insurance Billing chapter highlight important HIPAA compliance issues and ensure that you are aware of, and compliant with, governmental privacy regulations. A...
