Brand New Book ***** Print on Demand *****.The Dhammapada (Pali; Prakrit: Dhamapada; Sanskrit Dharmapada) is a versified Buddhist scripture traditionally ascribed to the Buddha himself. It is one of the best-known texts from the Theravada canon. The title, Dhammapada, is a compound term composed of dhamma and pada, each word having a number of denotations and connotations. Generally, dhamma can refer to the Buddha s doctrine or an eternal truth or righteousness or all phenomena ; and, at its root, pada means foot and thus by extension, especially in this context, means either path or verse (cf. foot (prosody)) or both. English translations of this text s title have used various combinations of these and related words.
