Signs in the Heavens and on the Earth: .Man s Days Are Numbered!

Filesize: 4.47 MB

Reviews

Great e book and beneficial one. It is amongst the most awesome pdf i actually have read through. You wont feel monotony at at any time of your own time (that's what catalogs are for relating to if you request me).

(Dorothy Daugherty)

SIGNS IN THE HEAVENS AND ON THE EARTH: .MAN S DAYS ARE NUMBERED!

DOWNLOAD

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Yes, the THIRD PRINTING is now complete! In addition to the already 30 pages added in the second printing, there s lots of new material in the third edition. Again, this is not your classic Bible Prophecy book - not in any way, shape or form. It is a chronological accounting of the first order--presenting overwhelming evidence that if man s days, as both Hebrew and Christian scholarship maintain, are 6,000 years from the creation of Adam, then time s up, big time! The reader will be introduced to SIGNS not only in an astronomical fashion but signs or monuments on the Earth, especially the Neolithic Earth will demonstrate that the Bible s extensive dimensional measurements of objects like Noah s Ark, the Ark of the Covenant, the Tabernacle in the Wilderness, the temples of Solomon and Ezekiel, and those of John s New Jerusalem are ALL inter-related. Proof positive on these numerical revelations will convince the reader that these ancient objects are not the works of the Annunaki, the Nephilim, extraterrestrials or slave laborers - no, the Great Pyramid of Giza was custom designed by those enlightened by the Creator of the Universe and are not the work of fallen angelic beings nor hybrids, giants or men of renown (aka demigods)! They who built Noah s Ark incorporated measurements from the Ark which reflect the very dimensions of Paradise. Krieger, who co-authored the recent blockbuster, THE FINAL BABYLON, will not bore the reader--although the math and geometry is dizzying at times; however, over 100 graphics break up any monotony. Notwithstanding, this text is NOT meant to be an easy read.you ll have to go back into the...
