SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Comparing Public Policies: Issues and Choices in Industrialized Countries (2nd Revised edition), Jessica Rose Adolino, Charles H. The seven policy chapters have been revised and updated to examine current issues in the United States, Japan, Germany, France, the United Kingdom, Italy, and the European Union, such as: - the heightened calls for immigration policy reform - the return to higher budget deficits in several countries - the efforts to lower tax rates in countries with falling expenditures and in countries with rising spending levels - the often unsuccessful attempts to control increasing health care costs in countries with aging populations - the spirited debate over the future role of the welfare state in an increasingly globalized economy - the, at times, divergent education reform debates regarding the role of assessment and calls for decentralization - the uneven environmental...
