Received this book as a gift. Kelly Johnson was a very successful business man, husband and father. This book is a poetic diary of losing it all, putting his arms around his mental illness and drug addiction, and now coming out a better person. He still struggles, with a very strong will, these maladies as he re-connects with his family and introduces them to someone they never got to know, the real Kelly. This is the perfect book for anyone who has had to overcome any type of obstacle.
