Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The very word apocalypse conjures up images of cataclysmic mayhem of unbelievable proportions. But what if the apocalypse is not what you ve imagined, because the pieces to the puzzle are not what you ve been told? Having created the world, God has worked out His plan and purpose for thousands of years. The end of the age is no exception. He has revealed very clearly what will happen. Unraveling the meaning of those prophecies, though, has been confusing and contradicting, almost like guesswork. As you read the Apocalypse Puzzle you may want to reconsider some truths you have been taught, and then put the puzzle back together all over again. What if . America is the 7th Beast? Electronics is the False Prophet? Electricity is the two horned Beast? 666 is not just a mark but a Name? An alliance of Arab nations is the 8th Beast with Ten Horns? The Great Prostitute, Babylon is New York? Pornography is today s Temple Prostitute? The Great Tribulation is totally fabricated? Israel is restored after Christ s return, not before? Why is this even important? Because God wants to change your heart, turn your eyes from the allure of this world, and convince you to trust Him with full surrender. - David Eymann, author I looked up Tribulation on the internet while reading your book. There were so many charts and timelines that it almost looked cultic. Reading Apocalypse Puzzle has drawn me into Revelation with interest and understanding for the first time. It makes sense now, it s relevant, and I find myself wanting to look deeper and understand more. - T. D. Dave Eymann has put the...
