The name Swarthmore was chosen in memory of the home of Margaret Fox, which was always open to the earnest seeker after Truth, and from which loving words of sympathy and substantial material help were sent to fellow-workers. The Lectureship has a two-fold purpose: first, to interpret further to the members of the Society of Friends their Message and Mission; and, secondly, to bring before the public the spirit, the aims and the fundamental principles of the Friends. The Lectures have been delivered on the evening preceding the assembly of the Friends Yearly Meeting in each year. A complete list of the Lectures, as published in book form, will be found at the beginning of this volume.
