Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.
(Melany Goyette)

EXPOSES AND EXCESS: MUCKRAKING IN AMERICA, 1900 / 2000

DOWNLOAD PDF

University of Pennsylvania Press. Paperback. Book Condition: new. BRAND NEW, Exposes and Excess: Muckraking in America, 1900 / 2000, Cecelia Tichi, Exposes and Excess Muckraking in America, 1900 / 2000 Cecelia Tichi "Rich and nuanced readings of works by muckrakers at both ends of the twentieth century."--Daniel Horowitz, Smith College "A quietly eloquent intervention in contemporary critical practice."--American Literature "Tichi provides rich and nuanced readings of works by muckrakers at both ends of the twentieth century, plus a stunning cultural analysis of the booming, insecure world in the U.S., c. 1980-2000. She shows what it means to think of noncanonical texts in multiple ways, including those shaped by literary theory. Finally, she offers wonderful insights into the process by which journalists emerge as writers, and into the problematic differences between journalism and literature."--Daniel Horowitz, Smith College "Tichi shows us the art of muckraking narrative, and how artful it must be. She shows us, too, the state we are in as a society. The cumulative evidence constitutes a devastating critique of where we are as a culture, where we are in the world, and where we are going. Tichi writes with exuberance, but if we take her seriously, this is a profoundly troubling book." --Miles Orvell, Temple University "Tichi makes it clear that she sometimes becomes depressed at the corruption and insensitivity raining down from the top of U.S. society, including the White House, and would like to see more journalists exposing problems. But despite legitimate reasons for concern, her book is largely an affirmation of contemporary investigative journalism. And that's good news."--Christian Science Monitor "Intriguing.Tichi has a firm grasp on contemporary culture in the very early and late 1900s.As much contemporary culture and sociology as journalism."--Choice From robber barons to titanic CEOs, from the labor unrest of the 1880s to...
