Key West is being terrorized by a series of bizarre murders committed by a mysterious voodoo assassin. With each new kill, it becomes clearer that the skeleton-clad executioner has an ecological agenda. Everyone dreads becoming the killer s next victim: the rapacious developers, the ruthless scammers, and the common folk undertaking heroic acts to save their community. As the clock counts down to the end of hurricane season, the town will come together in a final dramatic explosion of fear, rage, and striking revelations. With canny perception, Thomas Sanchez illuminates a world of dark desires, hidden truths, and colliding destinies at America s famous southernmost continental point.
