Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

History Press (SC), United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. New York s North Country can be hard to define: the region has solid boundaries on three sides but not on the south, where it mingles with the Adirondack Mountains. The spare and isolated landscape experiences long and harsh winters tempered with bucolic scenery. Small-town life and farming--both traditional and innovative--have found a haven and even thrive. The region plays host to determined, community-oriented people who have traded the financial lure of big cities for the satisfaction of barn raisings, outdoor hockey, quiet hikes and old-fashioned diners. In this collection, residents of the region probe their own lives and experiences with the land in a corner of America that is both demanding and rewarding. Discover their exciting, uplifting and poignant tales.
