Menu Booster: Great Menu Ideas for the Professional Kitchen

By Stephen Ashley

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Great Menu Ideas for the Professional Kitchen. Great Ideas for food lovers. MENU BOOSTER - Volume 1. This is not a cookery or Recipe Book. As you read through these pages for the first time you will notice that this is not a recipe book. It is singularly designed and aimed at the professional kitchen, to stimulate and inspire ideas and innovation in menu creation and design. For this reason it is important that you are made aware that this publication is almost exclusively suitable for the professional kitchen and the serious home entertainer. Therefore it will prove almost useless to those with a minimal understanding of cooking, food ingredients and cooking methods and styles. The menu items you will find within this publication have been collated over many years from an extensive collection of menus from around the world. This is a collation of menu inclusions that may help in a professional kitchen during menu planning. It is a massive selection of dishes taken from menus from around the world and is designed to...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
