Therefore a lot of companies intend to enter this market. Mergers and Acquisitions (M and A) are a useful tool to do so. First of all, it is important to understand the key principles of M and A. Therefore chapter 2 gives a summary of the most important aspects of mergers and acquisitions in general. Chapter 3 gives an introduction to the Chinese M and A market. It will deal with statistics concerning inbound and outbound deals, FDI and an overview of M and A advisory and investment banks. Chapter 4 will focus on the current situation of M and A activity and foreign direct investment (FDI) in China. FDI is another method for entering a market and is a competing tool to M and A. It will also present some examples of M and A where Chinese companies were involved. Chapter 5 deals with the importance of the stock market for M and A activity. After that, the most important aspects of M and A activities in the Chinese financial industry will be shown. First, an overview of the banking industry in China will be presented and the problems will be shown. After presenting the reasons for foreign companies to enter the Chinese financial market, the M and A activities in that sector will be shown and evaluated. This item ships from multiple locations.
