Today Atelier Villes & Paysages is a dedicated multidisciplinary team of 120 landscape architects, town planners, architects and geographers. They are united by a common ambition: to have an impact on the development and transformation of cities and landscape through meaningful designs and significant spaces where the identity of places is the keystone of the design process. It offers a chance to wander 'Between the lines' of landscapes and cities with a diversity of contexts, sites and programmes; and so it reveals the world of Atelier Villes & Paysages, which mixes sensitivity and pragmatism, creativity and attention to detail.
