Grosvenor House Publishing Ltd, United Kingdom, 2013. Paperback. Book Condition: New. 202 x 128 mm. Language: English Brand New Book ***** Print on Demand *****.A sensational second book in The Biggest Gang trilogy from detective turned author Stephen Hayes. Fifty Shades Of Black N Blue will not disappoint - the beatings go on, the culture of police corruption is further outlined with yet more real-life examples and there s yet more sex both in and out of uniform. Mr Hayes tells the truth, the whole truth and nothing but the truth in this shocking sequel to his first book The Biggest Gang In Britain. The new book is slicker and sicker than his first and and as compelling as any kicking in the police cells. The second book in Mr Hayes trilogy starts with a bizarre death that led to life-changing alterations for the author and his family. It s already being considered as a movie storyline with one New York Times author describing the plot as simply superb. Read it and weep - Daily Record Unlike a rubber truncheon this book will leave marks - Sunday Mirror The whole truth, like a kick in the crutch, can be very painful - Daily Star Sunday The honesty on the subject of police dishonesty is most refreshing - Stockport Express.
