Recovering Classic Evangelicalism: Applying the Wisdom and Vision of Carl F. H. Henry

By Gregory Alan Thornbury

CROSSWAY BOOKS, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Once upon a time, evangelicalism was a countercultural upstart movement. Positioned in between mainline denominational liberalism and reactionary fundamentalism, evangelicals saw themselves as evangelists to all of culture. Billy Graham was reaching the masses with his Crusades, Francis Schaeffer was reaching artists and university students at L Abri, Larry Norman was recording Jesus music on secular record labels and touring with Janis Joplin and the Doors, and Carl F. H. Henry was reaching the intellectuals through Christianity Today. It was the dawn of classic evangelicalism. Surveying the current evangelical landscape, however, one gets the feeling that we re backpedaling quickly. We are more theologically diffuse, culturally gun-shy, and fragmented than ever before. What has happened? And how do we find our way back? Using the life and work of Carl F. H. Henry as a key to evangelicalism s past and a cipher for its future, this book provides crucial insights for a renewed vision of the church s place in modern society and charts a refreshing course toward unity under the banner of classic evangelicalism.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
