It is considered to be among the first mystery novels and is widely regarded as one of the first (and finest) in the genre of sensation novels. The story is sometimes considered an early example of detective fiction with the hero, Walter Hartright, employing many of the sleuthing techniques of later private detectives. The use of multiple narrators draws on Collins s legal training, and as he points out in his Preamble: the story here presented will be told by more than one pen, as the story of an offence against the laws is told in Court by more than one witness. In 2003, Robert McCrum writing for The Observer listed The Woman in White number 23 in the top 100 greatest novels of all time, and the novel was listed at number 77 on the BBC s survey The Big Read. Walter Hartright, a young art teacher, meets a mysterious and distressed woman dressed in white. He helps her on her way, but later learns that she has escaped from an asylum. The Limmeridge household comprises the invalid Frederick Fairlie, and Walter s students: Laura Fairlie, Mr Fairlie s niece, and Marian Halcombe, her devoted half-sister. Walter realises that Laura bears an astonishing resemblance to the woman in white, who is known to the household and whose name is Anne Catherick. The mentally disabled Anne had lived near Limmeridge as a child and was devoted to...
