CHALLENGING THE STIGMA OF MENTAL ILLNESS: LESSONS FOR THERAPISTS AND ADVOCATES

DOWNLOAD PDF

Wiley-Blackwell, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is a book for everyone - for our patients, healthcare professionals and the general public. The issues surrounding stigma are raised without underestimating complexity, while still making the concepts understandable. Challenging the Stigma of Mental Illness explores the promising pathways, as well as those that will have unintended consequences. It ends, as all books on this subject should, with a rallying call for parity for those with mental illness. - Til Wykes, Professor of Clinical Psychology and Rehabilitation, Institute of Psychiatry, King's College London "Stigma as social injustice is a powerful message that permeates this book. It reminds us that people with a mental illness are, first and foremost, people with a mental illness. It challenges us to find ways to ensure that they realize the same rights and entitlements that the rest of us take for granted. It compels us to actively seek avenues of redress through multi-disciplinary and multi-sectoral activities that combine best practices in research with best practices in social advocacy and social change. This is a must-read for professionals and practitioners alike. - Professor Heather Stuart, Department of Psychiatry, Queen's University, Canada "This book starts with a personal approach to stigma - especially its horrendous consequences for individuals and families - and ends with the important pronouncement that stigma is an example of social injustice Along the way, it provides conceptually driven yet highly practical and useable strategies for combating stigma at multiple levels. An invaluable resource for anyone interested in countering the huge issue of mental illness stigma; bravo!" - Stephen Hinshaw, Ph.D., Professor and Chair, Department of Psychology, University of California "Drawing on both the latest research and personal experience, this book is an easy-to-read, practical and,...
