Rippers - The Horror Wars (Rippers - The Horror Wars)

Filesize: 1.28 MB

Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dawn Hane)

But mankind discovered a new weapon to fight the creatures of darkness. âDr. Jackâ developed a way to tear the very essence of these horrors from their undead flesh and graft it into living blood and bones. For many years, the âRippersâ took back the night, and the hunters became the hunted. The vile fiends of the world were backed into a corner, but under the leadership of Dracula himself, formed a âCabalâ of evil to combat those who hunted them. Their timing was perfectâfor the essences the Rippers stole from their prey eventually corrupted the monster hunters. The very men who created the RippersâMoreau, Frankenstein, and even Dr. Jack himselfâwent mad and joined the Cabal! Now Abraham Van Helsing and his mysteriously adopted son, Johann, the Harkers, Witch Hunter Serious Chapel, and a handful of other stout hearts are all that remain of the Rippers. It is their lot to carry on the Horror War. Rippers: The Horror War is a complete miniatures skirmish game. The Savage Worlds roleplaying game is NOT required.
