iUniverse, United States, 2007. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever been curious if God is real, or why you go through what you go through? My poetry may help you answer some of those questions. It takes you from asking God questions on why how when where and who. We may all have had times when we question our looks, and why we re in a relationship with the person we re dating-and the thoughts you may have-I have probably written them down in a poem. From time to time-we get curious about our life and the direction we need to go-just ask God to guide you so you don t make as many mistakes as you would if you did it without His help. I hope to inspire you to change the way you may think about your circumstances and how you live your life because when the day comes you have to answer to God, you want to make sure you lived your life in the ways of the Lord.
