Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annual Report of International Activities: Fiscal Year 1982 On behalf of the National Institutes of Health (NIH), the John E. Fogarty International Center for Advanced Study in the Health Sciences (FIC) is pleased to present this 14th Annual Report of International Activities, covering the fiscal year 1982. Edited by the FIC, but based upon reports by each of the Bureaus, Institutes, and Divisions (BID s) of the NIH, this report provides an overview of international activities for the period. These activities are essential to the furtherance of the NIH mission and fall within the purview of one or more of the BID s. The international programs of the NIH are specifically authorized under the International Health Research Act of 1960 (P.L. 86-610) to advance the status of the health sciences in the United States and thereby the health of the American People through cooperative endeavors with other countries in health research, research planning, and research training. The benefits of NIH international programs, however, extend far beyond our borders. Cooperative relationships that the BID s have...

Reviews

Extensive information for book fans. It is writter in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
