REAL-RESUMES FOR MANUFACTURING JOBS

DOWNLOAD

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The manufacturing industry has its own unique lingo, and this book reveals how to communicate in the language of that industry when seeking employment. Readers will find exciting resumes showing jobs such as machine operator, product design director, production foreman, quality engineer, shipping and receiving manager, tool and die maker, tire builder, welder, team leader, assembler, maintenance supervisor, and many other jobs. For those people with manufacturing backgrounds or an interest in manufacturing industry employment, the book will be a career enhancer. It is often to your advantage to know how to use the lingo and terminology of an industry on your resume when you are seeking employment. On the other hand, industries are often cyclical and downturns do occur in most sectors. So it s important to know how to transfer skills gained in the manufacturing environment to other fields. A word of advice from Editor Anne McKinney: If you want to enter the manufacturing field or advance in the industry-or even leave the industry--you don t need just any resume book. You need an industry-specific resume book! You will love this book targeted specifically to the manufacturing field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don t play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make. Praise for books in the Real-Resumes Series: Distinguished by its highly readable samples. - Library Journal These excellent new guides don t just provide the usual coverage on how to write a resume. They provide industry-specific examples, industry-specific tips and cautions,...
