Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. under free thought you put, we are told what s right, and leave it there. under freedom you put, we are only allowed to do what the law says, yes but you didn t put that our law is perfect; or how freedom can lead to mistakes. -Mr. Garlvar A lot of the rules we have, affects us. when you move out side the lines so much as a foot, if your thoughts go outside the box or even touch the sides of the box. the law is supposed to keep us safe. but really it turns us into criminals and keeps us from moving anywhere in life. -Max Can human error be understood, controlled and modified by math and science? Four young men live in a world where reality is only what the law crafted it to be. Like most they have never seen their world any different. instead they coasted along making a music band and finding what makes them individuals. Of course free thought and individuality leaves room for error. but how far could this go? Few like Max think for themselves when the law taught them from birth. Maybe they are luck Max came into their lives or maybe people like Max are the reason they live in the world they are in? This story explores: drug addiction, the limites of science understanding human nature, the role of rules in society, strictly monitored education and the idea of matching people off of a DNA test.
