7 Great Turning Projects for the Smaller Lathe

By Bill Bowers

Schiffer Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, 7 Great Turning Projects for the Smaller Lathe, Bill Bowers, Seven great projects for the 12- to 36-inch lathe, designed for beginning to intermediate turners, presented in a fully illustrated step-by-step fashion. Included are instructions for turning two scoops, a covered cylinder box, a lidded bowl with a foil-leaf finish, a Christmas ornament turned from last year's tree, a beautiful carving set, and large salt and pepper mills. Each of these projects can be completed in the course of a weekend. A photo gallery offers the turner many variations on the themes shown in the book and entices them to try their own ideas. An experienced demonstrator and teacher, Bill Bowers covers the basics, including issues of safety and technique, and then shares the joy he finds in turning. He encourages the reader to always remember, exuberance experienced at the lathe is exceptional medicine for the soul.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
