It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Xulon Press, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I had my first full blown manic episode when I was about twenty-six years old. But it was over ten years before we found out I was bipolar. It is hard to diagnose and I did not help the situation because I would not talk about what happened. My Jesus walks me through each journey of manic depression. I have included scriptures and prayers that helped me go through to the other side and back to a sound mind. I praise GOD that I am able to function and for His healing. I now live with my parents. I am the mother of two children and the grandmother of two beautiful girls and two handsome boys. I live a very productive joy-filled life. Sundays, I start my week helping to teach the preschool Sunday school class; it is wonderful to watch them grow up while they are in our class. I sing in the church choir during the worship service. On Mondays, I work with the C D Ministry for the homebound; we copy the church services and deliver them to those who cannot come to church. Tuesdays, Momma and I purchase groceries for the church. Wednesdays, I am cooking the Fellowship Supper, we serve about 100 and I practice with the choir after we clean up the kitchen. Thursdays, I proofread booklets at Church Starts International. Fridays, I work on my book. Saturdays are my free day to do whatever I like. During the summer, I teach missions during Vacation Bible School and I am part of the kitchen staff of Katie s Kids Kamp. I hope this helps people with bipolar disorder and their families...
