Retirement Preservation

By Larry P Stidman

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Retirement Preservation: a substantial amount of money is positioned in wealth-building tools that will not decrease in value if the stock market goes down and will lock in gains when the stock market goes up. Your retirement planning and wealth preservation goals are inextricably tied together. The financial strategies you have in place today impact both your present lifestyle and the one you envision for the future. Both require a comprehensive understanding of your personal goals. This platform includes strategies to develop a Tax-free retirement income and ways to assure flexibility, growth, and no principal risk. These methods can be used to build your retirement, provide for college tuition, generate additional savings and other uses. Your successful financial survival plan requires careful planning. If you don t know what you are planning for, then you might not get what you want. Plan your work and work your plan. Easy to read, easy to implement plans that will exceed traditional methods.
