Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Brand New Book ***** Print on Demand *****.Excerpt from Religion and Nationality in Serbia No apology is needed for placing this remarkable little pamphlet within the reach of the British public; for it deals with a subject which deserves closer attention at the present time and strikes a highly original and sympathetic note. Its author, Father Nicholas Velimirovic, is a monk of the Serbian Orthodox Church, and has already at an early age won a reputation in his native country as a preacher and a profound theologian. He represents in its best form the new spirit which is awakening in the Serbian Church and from which many expect a serious movement of internal reform. His aim is to emphasize the great work performed by the Orthodox and Catholic clergy in kindling the flame of national feeling among the Southern Slavs, alike in free Serbia and Montenegro and in the unredeemed provinces of the Dual Monarchy. The tribute of an Orthodox monk to the memory of a great Catholic bishop is in keeping with the concluding appeal for Christian charity and unity. The translation is by Miss Fanny S. Copeland.
