Pub Date :2004-09 Publisher: About Guangxi educational content value of this book lies in the teacher's classroom essence concentrate and provide a valuable reference resource for teachers of creative teaching. Of course. the wonderful teacher of that classroom how perfect. but in place of the usual display of wisdom. is the distinctive individual pursuit is to devote all our energies lies in the concept of penetration in the fragment details. Holding a series of books. reading the teacher. put it down. I feel two big books; 1 innovative. A major purpose of this new curriculum reform is to cultivate students' innovative spirit and practical ability. Writers stand the new height of the new courses reform. can be described as Huiyanshizhu. carefully selected features. giving a fresh Lesson. 2 inspiring. Of another feature of the book is the teacher teaching and teacher reviews good reviews can be described as exciting and enlightening. and some peels back layers some synoptic some foresight - which can be seen as each teaching case of the Lesson another form of interpretation. the better to get emotional and rational interpretation of the operation to the vast number of teachers to a good reference. the concept of greater enlightenment. Teacher. that is a very famous teachers. they are undoubtedly the leader in the field of educational practice. Why they do so famous? First class good teaching effect is significant. welcomed by students and by peer recognition. Throughout the country. they are on many of the open class. In many places. I heard the teacher to come to class. we all want to see the teacher's style. Is followed his diligent in writing. often article seen...
