DC Comics : Sixty Years of the World's Favorite Comic Book Heroes

By Daniels, Les

Bulfinch, 1995. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In 1935, popular culture was transformed forever when DC published its first book of "all-new, all-original comic material. To the delight of millions of kids everywhere, the modern comic book was born. With the introduction of Superman in 1938. DC Comics made history again, this time with the publication of the first super hero comic book. To this day, the Man of Steel remains the most recognized and celebrated hero in the world. Inspired by its innovative early success, DC went on to create legions of other superheores -- Batman, Wonder Woman, the Flash, Green Lantern, and dozens more of the most popular comic book characters ever created. In the sixty years since the first super heroes wer ecreated, the artists, writers, and editors of DC Comics have been developing, refining and extending the reach of their comic book characters. The DC fictional world has branched into a worldwide profusion of entertainment formats: books, toys, movies, radio, television, videogames, and an online computer network. Here, for the very first time, is the complete story of America's favorite heroes and their talented, dedicated creators. In...
