Diary of a Mad Imperialist - With an Essay on the Spirit of the German People

By Dr Thorsten Pattberg

Lod Press, New York, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.GERMAN culture is unique, not universal. Certain characteristics explain why Germany became what it became, and did onto others what it had to. Ever since their discovery of China, German missionaries and philosophers had feverishly tried to convert the Chinese to Christianity and the Greco-Hellenic ways. That included a form of brutal language imperialism by which all important Chinese key terminologies were translated into biblical and philosophical words and categories. The result, to this day, is a German Chinabild [China image] that is virtually Chinese-free.
