CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 162 pages. Dimensions: 9.0in. x 6.0in. x 0.4in.The Rulers of the Lakes is a complete story, but it is also the third volume of the French and Indian War Series, following The Hunters of the Hills and The Shadow of the North. Robert Lennox, Tayoga, Willet, and all the important characters in the earlier romances reappear. The three, the white youth, the red youth, and the white man, lay deep in the forest, watching the fire that burned on a low hill to the west, where black figures flitted now and then before the flame. They did not stir or speak for a long time, because a great horror was upon them. They had seen an army destroyed a few days before by a savage but invisible foe. They had heard continually for hours the fierce triumphant yells of the warriors and they had seen the soldiers dropping by hundreds, but the woods and thickets had hid the foe who sent forth such a rain of death. Robert Lennox could not yet stop the quiver of his nerves when he recalled the spectacle, and Willet, the hunter, hardened though he was to war, shuddered in spite of himself at the memory of that terrible battle in the leafy wilderness. Nor was Tayoga, the young Onondaga, free from emotion when he thought of Braddocks defeat, and the blazing triumph it meant for the western tribes, the enemies of his people. This item ships from La Vergne,TN. Paperback.
