Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Word Alive Press. Hardcover. Book Condition: New. Hardcover. 34 pages. Dimensions: 11.0in. x 8.5in. x 0.2in.Sparkly, the worlds most intelligent bear, takes his animal friends on a backyard adventure, where they discover a myriad of activity. They explore different areas of the yard and come across interesting situations. Sparkly is blessed with wisdom much like Solomons and is therefore able to answer any questions his buddies pose to him. At the end of the adventure, they all relax and reflect on their experiences, relate them to Gods word, and compare them to parables which Jesus spoke of in the New Testament. Sparkly and his friends encounter what most people miss on a daily basis. People are so caught up with making money, using their computers and smartphones, and being a part of social media that they dismiss the simple treasures God offers them. Sparkly and his friends pray that families continue to instill Christian morals and values in their lives, and encourage them to help their neighbours do so as well.
