Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WOMEN ENTREPRENEURSHIP AND SOCIAL CAPITAL: A DIALOGUE AND CONSTRUCTION

Copenhagen Business School Press. Paperback. Book Condition: new. BRAND NEW, Women Entrepreneurship and Social Capital: A Dialogue and Construction, Iiris Aaltio, Paula Kyro, Elisabeth Sundin, Human resources are the social capital of a firm or business, based on trust as well as on expertise, values, and cultural diversity. This calls for cross-cultural knowledge and an understanding of gender issues and individual differences in the social capital of the firm and society. The dialogue between women entrepreneurship and social capital theory/ research strengthens the fragmented voice of women entrepreneurship, providing the landscape for women entrepreneurs as creators of, and created by, social capital. It indicates how women entrepreneurs appear to have a special position in forming, developing, and reorganising the social capital in the business world. This book explores social capital in the multiple relationships between gender, management, and entrepreneurship. Twenty-six researchers, representing a variety of disciplines from different parts of the world, provide findings on diverse aspects of the dialogue between women entrepreneurship and social capital. As a consequence, the central concepts -- social capital, entrepreneurship, and gender -- are given a variety of meanings. Women entrepreneurs and business owners -- regardless of their cultural context, branch, and education provide interesting ideas to the global debate on equality and social capital.
