Veloce Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, VW Golf GTI, Richard Copping, Ken Cservenka, While old MkI Golfs have by now largely rusted away, the availability of MkII models at giveaway prices is plentiful.that is until three magic letters - GTI - appear on the car's front grille and hatch. Find a good example of the MKI with the aid of this guide and you are in clover! "The Buyer's Guide" carefully charts all the models that an enthusiast just has to own, from the iconic late model MkI with its pocket rocket 1.8-litre engine and 5-speed box, through to the exclusive, extremely powerful and much sought after limited edition Rallye Golf. With both mileage and particularly condition having a marked affect on potential prices, the authors give sound advice on what is worth restoring and what, however tempting, is likely to cost a new owner an un-recoupable fortune. Weak points, rust traps, and potential mechanical defects are laid out for the reader, with clear Golf-specific guidelines offered on the practicalities of rectifying such problems. The authors also embrace both the customized and mechanically modified examples of the MkI and MkII GTI, with each aspect of Golf ownership meticulously captured on camera.
