Today employee training has become critical to create a culture in which employees feel valued and entrusted with the organization's success. The objective of the paper was to analyse the various factors which contributes to effective training in the organization. The paper also analyses the relationship between training and organizational commitment of employees in a manufacturing unit of a national biscuit and confectionary brand. A questionnaire was developed which contained questions on the training conducted , how the training received by employees contributed to their performance in job, confidence level and taking up of higher responsibilities .This questionnaire was administered to 75 employees who are in the lower and middle managerial levels of a manufacturing Unit . A factor analysis was conducted to...
