Family Medical Planning

By Amy Rose Herrick

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.In every family, no matter who you define as your family, what affects one family member affects all family members at different levels. For the small business owner your employees are a unique second family. Whatever affects your employee family affects your business day to day operations and your customer or sales retention. All of these are directly tied to your bottom line. Knowing how to protect your business cash flow from a catastrophic medical event for you or a key employee is a vital part of your ongoing operational plans that is too often ignored until a crisis occurs, and then it is too late to change your results. I have seen the real life results of those who planned for a medical emergency in advance and the tragic results of those who have not. This book is designed for families at any age or stage of life to enable you to understand and discuss difficult situations you may face some day. Perhaps you have already experienced personally how just one major medical crisis can impact three...
