Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

VILLA: SOLDIER OF THE MEXICAN REVOLUTION (NEW EDITION)

DOWNLOAD PDF

Potomac Books Inc. Paperback. Book Condition: new. BRAND NEW, Villa: Soldier of the Mexican Revolution (New edition), Robert L. Scheina, Pancho Villa rose out of banditry to become a dynamic strategist who mastered the tactical use of a diverse array of weapons and equipment, including modern railway and cavalry, to contest control of Mexico. The peasantry idolised him because he often shared with them the largesse of his raids on the wealthy haciendas. He lived as he died - violently, the victim of an assassination squad in 1923. This book analyses this complex man and provides a solid overview of Mexico's political history against the fabric of social revolution. This is a new volume in the popular "Military Profiles" series. It analyses the raucous career of the Mexican Revolution's central figure and provides a fascinating glimpse into Mexican political and cultural history, and a contentious period in U.S.-Mexican relations.
