# Thinking Through Analogies

By Bonnie Risby

Sourcebooks, United Kingdom, 2005. Paperback. Book Condition: New. 320 x 208 mm. Language: English . Brand New Book. An analogy is a comparison between two things. It points out the similarities between two things that might be different in all other respects. Analogies cause us to think analytically about forms, uses, structures, and relationships. This all-time favorite resource not only gives students a chance to practice solving analogies, but also invites them to open their minds to a completely new way of analyzing the elements of analogies. Each page introduces several categories of analogies. Each category expands students way of viewing the world and contrasting and comparing elements. Thinking Through Analogies also instills the tools whereby students can create relationships to enhance their creative and formal writing, as well as to heighten their critical thinking in test taking.

### Reviews

*Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.*

-- ***Joshua Gerhold PhD***

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

-- ***Meagan Roob***
